PROFILE

I am a highly motivated software developer with 9 months of experience in building and maintaining web applications using HTML, CSS, JavaScript, and Python. My expertise extends to ReactJS and Django frameworks, and I am passionate about creating innovative and impactful software solutions. I possess a keen eye for detail, and I thrive in collaborative environments, working closely with cross-functional teams to deliver high-quality software that meets and exceeds client expectations. I am committed to continuous learning and growth as a developer, and I am excited to contribute my skills to a dynamic and innovative organization.

SKILLS

- Programming languages: HTML, CSS, JavaScript, Python
- Frameworks: ReactJS, Django
- Databases: [Mongoodb, mysql]
- Development tools: [Visual Studio Code, Virtual box, Github]
